And a whole host of other offerings - Contact us today on 1-800 FLY ONE

* All rates are inclusive of fuel up to the value of \$2.15 per litre. Flight One reserves the right to pass on Airport Fees and Air Services charges and fuel surcharges outside of these allowances. Refer our Guide to Rates and Charges for indicative infrastructure services costs CASA fees not included.

** Please note, GST is not applicable for students enrolled in a commercial training programme. For those enrolled in a PPL only program, the cumulative stage cost will be adjusted to include GST.

*** This program has been set out to meet CASA minimum requirements. Individual variations may apply to ensure the required standards are met.

Briefing (GFPT & PPL) estimates are based on utilisation of the Online Learning Package. Face to face delivery is available at an amended cost.
